Additional details as to why product is being returned:

Product Returns for “Warranty” Determination

No Warranty Credits or Exchanges for:

- Returned items that failed due to an accident, purchaser’s abuse, neglect or failure to operate in accordance with instructions provided in the owner’s manual(s) supplied.
- Returned items that failed due to incorrect voltage or improper wiring.
- Returned items that failed due to rain, excessive humidity, corrosive environments or other contaminants.
- Any item damaged in shipment.
- Any product failure caused by installing or operating product under conditions not in accordance with installation and operation guidelines or damaged by contact with tools or surroundings.
- Returned items with cosmetic defects that do not interfere with product functionality.
- Returned items that are incomplete or defaced.
- Returned items with a different serial number from what was authorized for return.
- Returned items that were special ordered or custom configured.
- Freight damaged items. If your shipment arrives damaged, you must note the damage on the carrier's delivery record in accordance with the carrier's policy, save the merchandise in the original box and packing it arrived in, and arrange for a carrier inspection of damaged merchandise.

Please take care to package your return carefully. Ineda Systems is not responsible for damage or a lost product(s) caused by shipping. Any damage or subsequent failure of shipped product related to inappropriate packaging will result in additional charges for the repair of the product.
